Walking Stars Feb 15 2022 Autobiographical stories about growing up as the son of Mexican

immigrants in California.

Macho! Apr 29 2023 Seventeen-year-old Roberto illegally crosses the U.S. border from Mexico to work in California's vegetable fields and becomes involved in Cesar Chavez's effort to unionize the workers.

Crazy Loco Love Nov 24 2022 Growing up on his parents' ranch in North San Diego County, Victor Villaseñor's teenage years were marked by a painful quest to find a place for himself in a world he did not fit into. Discriminated due to his Mexican heritage, Victor questions the tenets of his faith and the restrictions it places on his own spirituality and sexuality. Ultimately, his search for identity takes him to Mexico to learn of his family's roots, where he soon discovers that his heritage doesn't determine his intelligence or success. Through this often humorous and poignant tale, Victor deftly undermines the macho stereotype so often associated with Latinos, while exposing the tender vulnerability and naïveté of a young man grappling with the roles foisted on him by the church and society. Victor's youthful misadventures elicit sympathy, laughter, and tears as he attempts to divine the mysteries of the opposite sex in this powerful, revealing memoir. "The clarity that comes from Villaseñor's personal and cultural experience is not matched in any of Steinbeck's major works" (Los Angeles Times).

Revenge of a Catholic Schoolboy Sep 10 2021 In *Revenge of a Catholic Schoolboy* Victor Villaseñor brings a message of hope, meaning and personal transformation. The book is a wild, pertinent story that bridges cultural and religious differences. *Revenge of a Catholic Schoolboy* explores life-altering modern-day miracles and has been deemed a must read for Catholics, ex-Catholics, and for anyone interested in seeing the religions of the world come together. The book presents these ideas not as a proposal of tolerance, but as a way to achieve love, understanding and respect for each other. As

Revenge exclaims, "judgment day is here, and it's the day when we all stop passing judgment!"

Lion Eyes Sep 22 2022 In the American Indian belief, it is said that we never really know who we are until we find our totem, and once we do, then everything falls into place, even in the midst of chaos. *Lion Eyes* is the exciting true story of Jan Milburn, who came face-to-face with his totem-and was transformed. As a love-deprived young child, he got lost in a snowstorm in the Santa Cruz Mountains of California, and a huge mountain lion led him safely home . . . setting him on a course for a miraculous life. Acclaimed best-selling author Victor Villaseñor gives voice to Jan's thrilling tale, full of danger, clashes between light and darkness, romance, and healing miracles. Against the backdrop of the '60s-a time of love and war, a time of turmoil and social upheaval, a time of young people's exuberant exploration while the establishment tried to hold on to the past-Jan Milburn chose an unusual calling . . . becoming the youngest minister ever ordained by the state of California. Jan's spiritual path, incredibly, led him from San Francisco's Haight-Ashbury District of the '60s to Mexico, and into the darkness of the drug world. Hunted by a notorious assassin, he stared down death and encountered the very depths of depravity and violence-but ultimately awakened to his magical Spirit Guides and the Kingdom of God within each of us that transcends religion and "of-the-body" limitations. It was at this time that Mireya, a beautiful young Indian girl, saw in Jan the noble heart of a lion and the vision of an eagle. Nothing could get in the way of her love and admiration for this man. It was written in the stars, she said. Eventually, Mireya and Jan married and were instrumental in helping to return more than two million acres of stolen land to the Tarahumara Indians of Chihuahua, Mexico. *Lion Eyes* is a mystical, heartfelt, soul-inspiring love story of timeless relevance. It shows us that our global future lies not just in our politics and religious beliefs, but also in our unwavering love and our forgotten native wisdom that once we find our totem, everything

falls into place, even amidst chaos . . . illustrated by one man's incredible life, which can become the norm for all of humanity!

Little Crow to the Rescue / El cuervito al rescate Dec 21 2019 When his father teaches him to beware of the tricky human beings, who try to hit birds with rocks, Little Crow shares an idea which causes all the crows to proclaim him a genius and which alters their future.

When the Desert Advances Sep 29 2020 " a sensitive study about an unorthodox thinker who offers arresting observations about prison life in France. A. Sean's sense of style infuses his story with realistic characters and dialogue. The powerful plot and stark narrative spin together a dramatically intricate story." -Teri Boccuzzi, managing editor, Rutledge Books, Inc. "I was consistently engaged from page one. Tight and confident." -Daniel Langton, poet and senior member of San Francisco State University's Creative Writing Graduate program "A. Sean has broken the mold once again. A most refreshing and informative read. Nothing like a good chuckle in these morbid days " -Eric Nisenson, Jazz writer and author of *Blue: The Murder of Jazz*; *Ascension: John Coltrane and his Quest*, among other works This is more than a good read. It's an experience." - Victor Villasenor, author, *Rain of Gold* Everyone loves to hate the French. And quite rightly so, according to Ben, an American writer and the protagonist of this grey comedy composed inside La Rose du Dragon, a prison in Le Var region of France. Originally he planned a week in France to do research for his magnum opus, *Sox of Sand*, a religious farce about the Desert Fathers of 4th century a.d. However, while staying at a friend's apartment in Monte Carlo, he unwittingly becomes involved with a group of ex-pat Czechs, one who is a restaurateur and 6'10" basketball star for Monaco. One evening the giant shows up at the apartment to take Ben to his restaurant for dinner. Failing to be able to communicate a polite refusal, Ben reluctantly accepts. The night transforms Ben

from a visiting writer to "Prisonier l'americain." And thus Ben's adventure as a captive of the French penal system and French Justice begins. As the years go by he realizes the contrariness and arduous nature of French Law. Resigning himself to his situation he concentrates on the completion of his "magnum opus" while plotting escape. Meanwhile Ben struggles to help his fellow inmates, to arrange secret rendezvous with Sassie, a young German, in La M.A.F., the women's prison, and to deal with restless Arab thugs calling for the death of all American Infidels as the first Gulf War commences.

Wild Steps of Heaven Jul 20 2022 In his critically acclaimed bestseller Rain of Gold, Victor Villaseor brought his mother's family vividly to life. In Wild Steps Of Heaven, he turns to his father's family, the Villaseors. Against a vivid backdrop of love and war, magic and heroism, the author breathes life into his father's people--and in particular, the Villaseor women*Margarita, the indomitable matriarch who was swept away by Don Juan Jesus Villaseor on the eve of the Mexican revolution*their beautiful daughters, who find strength and endurance in their mother's faith, and searing passion amidst the turmoil of war. But it is little Juan, the youngest son, through whose eyes this tumultuous saga unfolds. Juan would learn from his brother Jose, a hero of the revolution, how to be a man; and from his beloved mother, how to live and love con gusto y amor. A story of madness and miracles, rage and redemption, In Wild Steps Of Heaven creates a riveting portrait of an extraordinary family and the country whose earth gave them roots.

SNOW GOOSE GLOBAL THANKSGIVING May 18 2022 If we really want Peace and Harmony on the

earth, let's take our U. S. celebration of Thanksgiving and go global with it, inviting all God's children to join us on one day a year giving thanks for all the good things we already have on Earth, and then feast and make merry with Peace and Harmony in our hearts and souls.

Victor Villaseñor 20-Copy Ppk Oct 23 2022

Crazy Loco Love Mar 24 2020 The fourth installment in bestselling and acclaimed author Villaseñor's family saga is a moving story of adolescence, sexual awakening, and the quest to learn what it takes to be a man.

Rain of Gold Mar 16 2022 It all began when Villaseñor's maternal grandmother sat him down in their little home in the barrio of Carlsbad, California, gave him sweet bread and told him the story of their past. Of his mother Lupe, the most beautiful girl in the whole village who was only a child when Villa's men came shooting into their canyon. And of his father Juan and his family, reduced to rags and starvation as they sought escape across the border, where they believed that endless opportunity awaited. Lupe and Juan met and fell in love in California, but they found that the doors to the Promised Land were often closed to those from south of the border. His father was forced to take the law into his own hands, in spite of his wife's objections. With love and humor, Villaseñor shares this passionate love story that celebrates the triumph of the human spirit. An all-American story of struggle and success, Rain of Gold focuses on three generations of Villaseñor's kin, their spiritual and cultural roots back in Mexico, their immigration to California and overcoming poverty, prejudice and economic exploitation.

Burro Genio Dec 13 2021 De pie frente al público, Victor Villaseñor miró al grupo de maestros sentados frente a él, y su mente se llenó de recuerdos de infancia llenos de humillación y abuso por parte de sus profesores. Se sintió enfurecer. Con el corazón en la mano, comenzó a hablar de esos

abusos. Y cuando terminó, para su gran sorpresa, encontró a todos los profesores de pie aplaudiéndolo enfáticamente. Muchas de las personas en el público no lograban contener sus lágrimas. Así comienzan las conmovedoras y apasionadas memorias de Victor Villaseñor. A pesar de ser muy talentoso e imaginativo desde muy niño, tuvo que vivir con una dificultad de aprendizaje (no fue sino hasta los 44 años de edad que fue diagnosticado con un caso grave de dislexia), y la frustración de ser latino en una escuela americana en la que sólo se hablaba inglés. A pesar de los profesores que lo maltrataban porque no podía hablar inglés, Villaseñor se aferró a su sueño de un día convertirse en escritor. Hoy en día, es considerado uno de los autores más importantes de nuestra era.

Latina and Latino Voices in Literature Apr 24 2020 This revised edition of an award-winning resource celebrates the lives and works of 35 Latina and Latino authors who write for today's young readers. Expanded to include 12 additional authors, updated information on the original 23 authors profiled, and 135 new titles, this comprehensive reference tool helps teachers, librarians, and parents stay current on one of the most dynamic areas of contemporary literature. Both established and emerging voices are profiled. Personal quotes and photographs introduce each biographical essay, presenting information gathered through interviews, personal communications, and research. A complete list of all books and works written by the author is included along with publication information. Annotations are provided for most of the titles, along with information on major themes, awards won, and recommended age levels. *Evaluating Books for Bias* provides helpful guidelines for examining and selecting books from a pluralistic perspective. Appendices offer further helpful information about the field, including special awards honoring books by Latinas and Latinos, a calendar of holidays and special days celebrated by the Latino community, and listings of related resources and organizations. The author has also compiled ideas for classroom activities and ways

for librarians to extend the literary experience. A title index and extensive topic index--including themes, curricular areas, and genres--help in planning story sessions and study units. This is a multipurpose resource for anyone who wants to help young readers connect with contemporary literature in a meaningful way.

Burro Genius Dec 25 2022 Standing at the podium, Victor Villaseñor looked at the group of educators amassed before him, and his mind flooded with childhood memories of humiliation and abuse at the hands of his teachers. He became enraged. With a pounding heart, he began to speak of these incidents. When he was through, to his great disbelief he received a standing ovation. Many in the audience could not contain their own tears. So begins the passionate, touching memoir of Victor Villaseñor. Highly gifted and imaginative as a child, Villaseñor coped with an untreated learning disability (he was finally diagnosed, at the age of forty-four, with extreme dyslexia) and the frustration of growing up Latino in an English-only American school in the 1940s. Despite teachers who beat him because he could not speak English, Villaseñor clung to his dream of one day becoming a writer. He is now considered one of the premier writers of our time.

Jury Aug 09 2021 Based on a true story of a series of crimes committed in Yuba City, California, and the subsequent trial of Juan Corona which drew to a close in January 1973.

San Diego Magazine Jan 22 2020 San Diego Magazine gives readers the insider information they need to experience San Diego--from the best places to dine and travel to the politics and people that shape the region. This is the magazine for San Diegans with a need to know.

Wild Steps of Heaven Oct 31 2020 A work hailed by the "Los Angeles Times" as "hypnotic storytelling," "Wild Steps of Heaven" provides a powerful, moving portrait of Villaseñor's family who, in their courage and love of life, represent the whole, passionate history of Mexico.

Encyclopedia of Latino Popular Culture Jun 07 2021 Contains entries that provide information about various aspects of Latino popular culture, covering people, celebrations, food, sports, events, literature and film, fashion, and other topics; arranged alphabetically from A to L.

Burro Genius: A Memoir Jun 26 2020

Intersectional Chicana Feminisms Aug 29 2020 Chicana feminisms are living theory deriving value and purpose by affecting social change. Advocating for and demonstrating the importance of an intersectional, multidisciplinary, activist understanding of Chicanas, Intersectional Chicana Feminisms provides a much-needed overview of the key theories, thinkers, and activists that have contributed to Chicana feminist thought. Aída Hurtado, a leading Chicana feminist and scholar, traces the origins of Chicanas' efforts to bring attention to the effects of gender in Chicana and Chicano studies. Highlighting the innovative and pathbreaking methodologies developed within the field of Chicana feminisms—such as testimonio, conocimiento, and autohistoria—this book offers an accessible introduction to Chicana theory, methodology, art, and activism. Hurtado also looks at the newest developments in the field and the future of Chicana feminisms. The book includes short biographies of key Chicana feminists, additional suggested readings, and exercises with each chapter to extend opportunities for engagement in classroom and workshop settings.

Little Crow to the Rescue Jul 28 2020

Our First Lady Pope Jun 19 2022 Love, Harmony, Peace, Unity and Miracles Are these not the ingredients of all religions? What went wrong? Why are our institutions failing us? The answer, known to indigenous people throughout the world, is that modern civilization has lost its connection to nature and the understanding of our natural loving feminine energy which nurtures all life. In

Gigantic Global Hope: Our First Lady Pope, we follow the personal journey of Victor Villaseñor when he was invited to speak to a group of retired nuns and priests. Not wanting to go, remembering all the abuses he'd received at Catholic school, a visit with his mother reminded him that forgiveness is the key to becoming an adult. To his utter surprise, he was met with joy and appreciation—in fact, Victor's visit became a life-altering experience not just for him, but the nuns and priests as well. And that was where the collective vision of Our First Lady Pope wasn't just born, it was seen as a way of HOPE and LOVE and JOY uniting all the churches with Feminine Energy throughout the globe.

Macho! Aug 21 2022 From Victor Villaseñor, author of the critically acclaimed bestseller *Rain of Gold*, comes the stunning story of a young man's coming of age—a novel that captures the cadences and color, passion and pride of the Mexican-American experience. Roberto Garcia was only seventeen. But he already had big dreams of freedom, respect, money, familia. With ambition to burn and a passion to prove his manhood, Roberto took the dangerous journey north, crossing the Mexican border to pick fruit in the golden fields of California. There, a good man could make more money in a week than in a whole year in the mountains of Michoacan. Nothing could have prepared Roberto for the jammed boxcars and bolted trucks carrying migrants through burning deserts to fields of dreams. But he was determined to become a norteño, coming home with a family to save and a score to settle, no longer a boy, but a man. At once raw and powerful, poetic and heartbreaking, *Macho!* brings to life the brutality of migrant labor, Cesar Chavez's efforts to unionize the workers, and a vivid portrayal of the immigrant experience as seen through the eyes of a young man who saw it all.

Mother Fox and Mr. Coyote (Mamá Zorra Y Don Coyote) Jul 08 2021 The home of Mother Fox and her three babies is hidden by the roots of a tree stump in a long valley. In the beautiful fields

around their home, Mother Fox cares for her children, who are so tiny they fit in the palm of a human hand. She brings them treats to eat, and she leads them to sit on the rocks in the sun. But Mother Fox must always be wary because an old coyote shares their valley with them. Though he is lonely, the mean coyote searches for food rather than a friend. "After all, this is the way the world works." One day, Mother Fox takes her babies to the pond to search for food. There, while jumping and frolicking with the bullfrogs in the night, Mother Fox rolls on the ground shaking with laughter. In fact, she laughs so hard that she forgets about the hungry coyote. Soon, she finds herself snout to snout with her biggest fear. Knowing that they cannot run or hide from the coyote, Mother Fox uses her cunning mind to escape. With a little help from the moon and a trick of light, she saves her babies. In this enchanting bilingual picture book, renowned author Victor Villaseñor casts a traditional folk tale about Mother Moon. Paired with bright and inventive illustrations, this story is a celebration of nature in all her beauty.

The Frog and His Friends Save Humanity (La Rana Y Sus Amigos Salvan a la Humanidad) Oct 11 2021 It's the Spring of Creation, and all of the animals are busy doing what they do best. There was no confusion. But suddenly, a strange, furless, shell-less creature appears in their midst and the animals are mystified by the strange being. The bear knew that this creature would not be as strong, the deer knew it would not be as fast, and even the grasshopper knew it was not going to hop and screech like him. What follows is a raucous debate about what to do with the helpless being. Eat the creature? Defend the creature? Leave it to fend for itself in the forest? The fate of humanity rests in the paws and wings of the animal community. Acclaimed author Victor Villaseñor returns, once again, to capture a traditional children's tale for a new generation. In fresh, colloquial prose Villaseñor's second children's book echoes the oral tradition, as he recalls a story that his mother

told him as a child. Brought to life by bold illustrations, this playful fable celebrates the relationship between humans and the animals in the natural world.

Shadows of the Heart Feb 21 2020 Drawing from a wealth of psychological and spiritual sources, the authors help us gain a new perspective on how we handle the painful emotions of anger, shame, guilt, and depression

Walking Stars Apr 05 2021 The stories in Victor Villasenor's *Walking Stars* are about the extraordinary lives of ordinary people. Villasenor shows that every story, and every family, is filled with magic, if we look hard enough.

Walking Stars Dec 01 2020 Autobiographical stories about growing up as the son of Mexican immigrants in California.

Macho! Jan 02 2021 In this Spanish translation of *Macho*, seventeen-year-old Roberto Garcia has big hopes for a future different from that of his compatriots in the highlands of Michoacan. Hungry for the prosperous life that he imagines on the other side of the border, Roberto steps onto the dangerous trail that so many immigrants have taken before him?from his mountainous home into the dangers of the world outside. Before long, Roberto finds himself in the land of promise: in the midst of golden fields and fertile fruit orchards where he can make more money in one week than he could have in a year back home. He learns quickly, though, that the backbreaking work in vegetable fields under the powerful sun does not gain him the wealth, freedom, and power that he'd hoped for. But even in that world of cramped trains, deadly deserts, and horrifying conditions, Roberto is determined to make a place for himself.

Beyond Rain of Gold Jan 26 2023 *Beyond Rain of Gold* is the incredible story behind the writing and publication of Victor Villaseñor's national bestseller *Rain of Gold*. It captures the difficult and

courageous path the author followed to ensure that his family's saga would be published as the authentic, true account it is. The real power of this book lies in the sacred relationship that Villaseñor has with his father, mother, and ancestors. In other words, *Beyond Rain of Gold* encompasses the magical messages that Villaseñor's indigenous ancestors told him are universal themes common to native peoples everywhere on this planet . . . and at one time we were all indigenous. This is an exciting, raw, and honest work, with events occurring that transcend the boundaries of what we normally call reality. And like Carlos Castaneda's Don Juan trilogy, *Beyond Rain of Gold* explores altered states of consciousness, revealing the wisdom and magic inherent in everyday existence. This is a book that will make you see the world in an entirely different way, and which will stimulate your mind and emotions to create a New Earth way of thinking and being!

Rain of Gold Feb 27 2023 The non-fiction saga of Victor Villasenor's own family. It is the Hispanic Roots, an all-American story of poverty, immigration, struggle and success. Focuses on three generations of the Villasenor family, their spiritual and cultural roots back in Mexico, their immigration to California and their overcoming poverty, prejudice and economic exploitation.

Macho! Feb 03 2021

Thirteen Senses Mar 28 2023 A daring memoir of love, magic, adventure, and miracles, Victor Villaseñor's *Thirteen Senses* continues the exhilarating family saga that began in the widely acclaimed bestseller *Rain of Gold*, delivering a stunning story of passion, family, and the forgotten mystical senses that stir within us all. *Thirteen Senses* begins with the fiftieth wedding anniversary of the aging former bootlegger Salvador and his elegant wife, Lupe. When asked by a young priest to repeat the sacred ceremonial phrase "to honor and obey," Lupe surprises herself and says. "No, I will not say 'obey'. How dare you! You don't talk to me like this after fifty years of marriage and I

now knowing what I know!" After the hilarious shock of Lupe's rejection of the ceremony, the Villaseñor family is forced to examine the love that Lupe and Salvador have shared for so many years -- a universal, gut-honest love that will eventually energize and inspire the couple into old age.

In Search of Sacred Elders Apr 17 2022 In the last ten thousand years, we've gone from hieroglyphics, papyrus scrolls, stone tablets, and smoke signals to telegraphs, telephones, cell phones, computers, and virtual reality, thinking these would help improve communications between people. With great expectations we experienced Manifest Destiny and World War I and II, thinking these would finally unite us globally in prosperity and peace. Then we went to the moon and sent rovers to Mars. All this and more we've accomplished, and yet something isn't quite working right for us. Why? Despite these accomplishments, we now have more poverty and hunger, wars and human destruction, unrest and anger, fear and distrust than ever before. So could it be that the answer, known to indigenous people throughout the world, is that modern civilization has simply lost its connection to nature and the understanding of our natural loving, compassionate feminine energy which nurtures all life? *In Search of Sacred Elders* explores this paradox of modern life and the potential of indigenous wisdom creating the harmony we've always been seeking. Victor Villaseñor, the bestselling author of *Rain of Gold*, was shocked when he received an invitation to speak to a group of retired nuns and priests. Not wanting to go, remembering all the abuses he'd received at Catholic school, a visit with his elderly mother reminded him that forgiveness is the key to becoming an adult. Victor went, and to his utter surprise he was met with joy and appreciation. And the challenging experience of reconciling his strongly held beliefs with those of these nuns and priests, was where the collective vision of Sacred Elders was seen as a profound revelation not just for the world, but for the Catholic Church and all those of different religions and beliefs. *In Search of*

Sacred Elders leads each reader on a journey of how all of modern civilization can be reconnected to nature. The key is revealed as you read this tearful, funny and courageous true story, and you gain an understanding of how the power of our inherent natural feminine energy--which nurtures all life--can finally unite us all over the world with a freshness of hope and trust, love and joy, compassion and respect, in the heartfelt, harmonious way that we've forever been seeking.

Trece Sentidos May 06 2021 En un deslumbrante relato de pasión, Trece Sentidos de Victor Villaseñor continúa la estipulante epopeya familiar que empezó con el ampliamente reconocido bestseller Lluvia de Oro. Trece Sentidos abre con las bodas de oro del ya mayor Salvador y su elegante esposa, Lupe. Cuando un joven sacerdote le pide a Lupe que repita la sagrada frase ceremonial 'respetar y obedecer,' Lupe se sorprende a sí misma al contestar--¡No, no voy a decir obedecer! ¡Cómo se atreve! ¡Ah, no! ¡Usted no me va a hablar así después de cincuenta años de matrimonio y sabiendo lo que sé!--. Así, la familia Villaseñor se ve forzada a examinar el amor que Lupe y Salvador han compartido por tantos años: un amor universal, entrñable y sincero que eventualmente dará energía e inspiración a la pareja en su vejez.
