Bond is the number 1 provider of 11+ practice, helping millions of children pass selective entrance exams. Bond Non-verbal Reasoning Assessment Papers for 11+-12+ years Book 1 develops non-verbal reasoning problem-solving skills, encouraging thinking skills and providing preparation for Common Entrance and 11+ exams. Bond Non-verbal Reasoning Assessment Papers for 11+-12+ years Book 2 (ISBN: 9780192740298) is also available. Brand NEW from Bond, a range of up-to-date facsimile papers designed to match in style and content the real exams set by your LEA or senior independent school. Covering all four strands, no other test papers have the backing of Bond's unique graded series. With the assessment papers, How to and Get Ready guides, Bond can now truly offer a complete solution to 11+ exam preparation. This book contains 8 assessment papers. Each paper contains a range of question types using shapes, pictures and patterns. The simple layout is similar to that used in many exam papers. The papers therefore, help children to become familiar with the question types and to become more confident tackling these types of tests. Non-verbal reasoning

assesses a child's ability to see patterns and relationships, independent of language or prior learning. The tests are particularly helpful for children who may have specific difficulties with literacy, or for whom English is an additional language. They provide a clear indication of a child's ability to identify and work successfully with abstract concepts. The papers can be used as timed assessment tests or worked through a little at a time for regular non-verbal reasoning practice. Initially, it is better to focus on accuracy, then, as your child gains confidence, working at speed can be developed. Use the pull-out answer booklet to mark completed papers. Children can use the score boxes in the margin to make a note of their marks for each section. They then record their overall scores on the progress grid at the back of the book. It is a good idea to work through completed papers with your child then you can identify any areas of weakness or confusion and discuss those questions together. with fully expanded answers in a pull out section, the essential Bond Assessment Papers in a handy pack which covers the four core subjects: Maths, English, Verbal Reasoning and Non-Verbal Reasoning. Four Verbal Reasoning test papers in the style and format of the GL Assessment 11 Plus tests used by selective state schools in England. These papers are intended to provide familiarization and realistic practice ahead of the tests to build confidence and ensure success. * Four complete Verbal Reasoning test papers * Invaluable practice for the 11 Plus tests (GL Assessment) * Includes notes and information for parents * New edition--fully checked and updated * Now includes explanations for all answers to improve understanding * Download additional multiple-choice answer grids from our web site free of charge, so that you can reuse the papers as often as you need! Bond 11+ Verbal Reasoning Assessment Papers Book 2 for 9-10 years provides topic-based practice questions that set the foundation for success in SATs, common entrance or the 11+. This new edition contains full explanations for the answers in the pull-out centre section. Ideal for parents and children to work through without extra research. This book comprises 25 assessment papers, each with 30 questions. Each paper contains a range of question types including sequences, codes, analogies, grids and similarities. Within each group, questions can be phrased in different ways, and these tests introduce your child to many of the more frequently used styles. The simple layout is similar to that used in many exam papers, so the papers will help children to become familiar with the question types and to feel more confident tackling them in a test situation. Verbal reasoning assesses a child's ability to see patterns and relationships at sentence, word and letter level. The questions test comprehension, vocabulary and spelling, as well as the ability to identify patterns and apply logic to solve simple problems. There is a strong correlation between language and literacy skills, and verbal reasoning, so reading, word games and spelling skills all contribute to success in verbal reasoning. The papers can be

used as timed assessment tests or worked through a little at a time for regular verbal reasoning practice. Initially, it is better to focus on accuracy, then, as your child gains confidence, working at speed can be developed. If you wish to set whole tests, allow 15 minutes for each paper. If your child completes the test in less time they should be encouraged to check their answers carefully. Use the pull-out answer booklet to mark completed papers. Children can use the score boxes in the margin to make a note of their marks for each section. They then record their overall scores on the progress grid at the back of the book. It is a good idea to work through completed papers with your child, then you can identify any areas of weakness or confusion and discuss those questions together. The Non-Verbal Ninja Training Course Non-verbal reasoning questions in the 11+ exam provoke anxiety amongst students and parents alike, since the test seems, at first, to be unlike the activities of normal everyday life. In reality, however, it is straightforward to train to improve one's performance in these puzzles. The Non-Verbal Ninja Training Course from Eureka! Eleven Plus Exams is a three-part series of training books with several features to maximise the skill boost they provide to students. Full explanations are given immediately after each block of questions Visual explanations are provided where these are easier to understand The early questions of each type are easy, testing only one or two rules Challenging, broad-ranging questions are soon introduced Each question teaches an additional skill or reinforces a core skill You are not told in advance exactly what the rule will be, so you build confidence in identifying the rule for yourself - a crucial skill for exam success The series of books,

studied in sequence, covers the spectrum of types of format of questions and of the types of rule being tested. Some rules can be tested in many different settings. Dedicated practice and, more importantly, careful review of the explanations of questions that turned out to be difficult, is the key to success in Non-Verbal Reasoning. This new edition of the bestselling Verbal Reasoning Assessment Papers Book 1 9-10 years now includes full explanations in the pull-out answer section in the centre of the book. Used with the Bond Verbal Reasoning Handbook and other supporting Bond titles, the Assessment Papers offer everything your child needs to prepare and practise for the 11+ at home. The papers cover all the core 11+ question types that your child will experience in their actual exam. Working through the book helps to target which areas children need more support with and builds their skills and confidence. There are also practical tips and planning for next steps to improve exam skills. WHY THIS BOOK? Cognitive abilities are brain-based skills related with the mechanisms of learning, memorizing, and paying attention rather than actual knowledge that was learned. The more you practice, the more you develop your cognitive flexibility. This book is designed to teach concepts and skills in a way kids understand with ease. Concepts are taught step by step and introduced incrementally. The focus of this book is to provide a solid foundation to fundamental skills. All the skills taught in the book will collectively increase the knowledge and will help kids to prepare and take the test confidently. Practice tests that are available in the market may not provide all the concepts needed. This book is aimed to give both concepts and practice. Reasoning tests the thinking power and mind applicability skills of the candidates. The questions on reasoning asked in various competitive examinations are not easy to solve without having enough practice. Non-Verbal Reasoning will help candidates master the 'Tricks of the Trade' as it covers all aspects of Non-Verbal Reasoning very much comprehensively. The present book for Non-Verbal Reasoning has been divided into 17 chapters namely Completion of Series, Analogy, Classification, Counting of Figures, Completion of Figures, Embedded Figures, Cubes, Dice, Paper Folding, Paper Cutting, Formation of Figures, Mirror Image, Water Image, Dot Situation, Grouping of Figures, Figure Matrix and Square Completion, each containing ample number of solved problems which have been designed on the lines of non-verbal reasoning questions asked in various previous years' competitive and recruitment

examinations. Each chapter ends with practice exercises aimed at helping aspirants practice the concepts discussed in the chapters. Also the book contains previous years' solved questions asked in different competitive examinations like UPSC, SSC, CAT, XAT, SNAP, etc to help aspirants get an insight into the types of Non-Verbal Reasoning questions asked. The book will be highly useful for aspirants preparing for Management (CAT, XAT, CMAT, IIFT, SNAP & other), Bank (PO & Clerk), SSC (CGL, 10+2, Steno, FCI, CPO & Multitasking), LIC (AAO & ADO), CLAT, RRB, UPSC and other state PSC Exams. As the book covers Non-Verbal Reasoning both in detail with ample number of solved problems, it for sure will help aspirants prepare for non-verbal reasoning in a thorough manner and score high in the upcoming competitive & recruitment exams.
