But after helping Nora with a medical emergency, he finds himself opening up to the witty, warmhearted doctor. A rescue dog, an ex-Marine, and an ex-convict are caught in the crosshairs of a ruthless gang in remote Washington state in this "first-rate thriller" (Associated Press) for "fans of CJ Box and Michael Koryta" (Booklist).

Former US Marine Jess Winslow reenters civilian life a new widow, with little more to her name than a broken-down house, a medical discharge for PTSD, and a loyal dog named Lucy. The only thing she actually cares about is that dog, a black-and-white pit bull mix who helps her cope with the devastating memories of her time in Afghanistan. After fifteen years -- nearly half his life -- in state prison, Mason Burke owns one set of clothes, a wallet, and a photo of Lucy, the service dog he trained while behind bars. Seeking a fresh start, he sets out for Deception Cove, Washington, where the dog now lives. As soon as Mason knocks on Jess's door, he finds himself in the middle of a standoff between the widow and the deputy county sheriff. When Jess's late husband piloted his final "fishing" expedition, he stole and stashed a valuable package from his drug dealer associates. Now the package is gone, and the sheriff's department has seized Jess's dearest possession: her dog. Unless Jess turns over the missing goods, Lucy will be destroyed. The last thing Mason wants is to be dragged back into the criminal world. The last thing Jess wants is to trust a stranger. But neither of them can leave a friend, the only good thing in either of their lives, in danger. To rescue Lucy, they'll have to forge an uneasy alliance. And to avoid becoming collateral damage in someone else's private war, they have to fight back -- and find a way to conquer their doubts and fears. A picturesque town. A woman on the run. First, drop in at 5-B Poppy Lane, where you'll get a chance to visit with Helen Shelton, her granddaughter Ruth and Ruth's husband, Paul. That's the night firefighter Mack McAfee began to fall for Mary Jo and the idea of a family—with her. Here is the complete history of the famous cove and the unique village that hosts thousands of visitors each year. The story begins with the formation of the rocks along these shores and the impact of the glaciers. The Mi'kmaq were the first to live here in the summers, harvesting the riches of the sea. A land grant in 1811 brought the first hardy settlers, who built homes and wharves and discovered that the sea could provide bounty but was also a source of great danger. The story includes the origin of the name, Peggy's Cove, and details about the everyday life of nineteenth-century families living here. A history of the famous lighthouse is included and there are excerpts from many of the famous and not-so-famous visitors who have written about the Cove through two centuries. The author explores the most damaging storms and the shipwrecks, the reports of sea monsters and other strange phenomena. Fishing was always a source of income, but it changed over the years. At times the fish prices were so low it was not worth the effort and, in recent years, dramatic changes to the ocean have seen the collapse of several important species of fish. In the twentieth century, Peggy's Cove attracted artists, writers and ultimately thousands of tourists. Sculptor William de Garthe made his home here and created his monument to the coastal fishermen out of the sheer granite outcropping in his backyard. In 1998, Swissair Flight 111 crashed off the shores of Peggy's Cove and the community opened its doors to the world in an effort to provide support for the rescue workers and the families of the victims. From the earliest days to the present, the story of Peggy's Cove has been a tale of natural wonder and human endurance.
