A student text for grade three offers a basic introduction to the elements that make up a community, discussing communal needs, community activities and institutions, changes and growth in communities, and the people who live there. The Core Skills Social Studies series engages students with easy-to-understand passages that help students build a better understanding of the world around them. Interactive lessons encourage active participation with the text, including practice with maps, charts, and illustrations. Students are given many opportunities to reflect on the text through higher-level thinking questions. Social studies focuses on developing knowledge and skill in history, geography, culture, economics, civics, and government. Core Skills Social Studies addresses these areas of study and correlates with social studies curriculum throughout the United States. Teach students the skills they need for long-lasting social studies success. A brief biography of the first President for primary grades.
