"Earthy recipes, gorgeous photos, and the story of one of San Francisco's best and most interesting restaurants . . . truly a feast!" —Paula Wolfert, five-time James Beard Award winner

Foreign Cinema opened its doors in 1999 in the Mission District of San Francisco, pioneers in transforming the neighborhood into a culinary destination. The dramatic experience of dining in the sweeping atrium, where films screen nightly, still enchants visitors today.

Now, for the first time, chef-owners Gayle Pirie and John Clark share the best from their distinctive North African, California-Mediterranean menu. Featuring 125 signature dishes, the book spans Pirie and Clark's award-winning brunch favorites like Champagne Omelet and Persian Bloody Mary, cocktail hour with Lavender Baked Goat Cheese in Fig Leaves, and dinner fare including a Five-Spice Duck Breast with Cassis Sauce and Madras Curry Fried Chicken with Spiced Honey, alongside instructions for how to blend spice staples like Ras el Hanout. With rich storytelling throughout, Pirie and Clark offer home cooks a chance to take the restaurant into their own kitchen. Includes a foreword by Alice Waters

MASTERING MUESCORE is the definitive guide to MuseScore 2, the free and open source music notation program for Windows, Mac OS, and Linux. This book starts with the basics, walking you through the notation of a very simple song. Next it explores the process of note entry and editing in depth, covering everything from notes and rests to tuplets and grace notes to cross staff notation and feathered beaming. The book then explains how to create and edit each of the many different types of markings supported by MuseScore, including time signatures, repeats, tablature, chord symbols, slash notation, and much more. The book covers score and part organization and page layout, as well as the playback, graphics, import, and export features, and it explains the many customizations the program offers. Hundreds of examples and illustrations are included to make it easy to follow along. MASTERING MUESCORE is all you need to become an expert in using MuseScore, the most powerful free music notation software in the world. Ideal design for noting categories of songs or artists you love. Perfect for people who love building playlists on Spotify or similar streaming services.

This music playlist planner is for people to use whilst listening to an album, radio station or playlist. They can make a note of tracks they hear, their thoughts on it and the mood it captures. They can also add their overall rating and notes to the album. Consider mixing this with the playlist template or adding more note pages so that users can have a complete music journal. This could be niched to particular genres of music like EDM, rock, country, jazz or blues. It could also be used in a more general music journal book that logs other information like concerts attended or band shirts purchased. This is perfect for people who love building playlists on Spotify or similar streaming services. You can create a list of the songs you would include on your dream playlist. Perfect for making multiple playlists or as we called them in the old days, 'Mixtapes.'
