

Download Ebook This Is Our Church A History Of Catholicism Pdf File Free

Living the Catechism of the Catholic Church: The Creed Jul 10 2021 Cardinal Schönborn, the editor of the monumental Catechism of the Catholic Church, a worldwide best seller, provides a brief and profound commentary on the first part of the Catechism, the Creed. Schönborn gives an incisive, detailed analysis of the Creed, providing a specific meditation for each week of the year on how to better live the Catholic faith as expressed in the Creed and explained in the Catechism. Through these 52 meditations, Schönborn's hope is for the reader to not just have a better grasp of Catholic doctrine and belief, but especially to grow in a greater love of and devotion to the person of Jesus Christ. "Faith is whole. It has only one heart, one center: Jesus Christ, the Son of the living God. Christ must therefore also be the center of catechesis whose object is 'putting people...in communion...with Jesus Christ: only he can lead us to the love of the Father in the Spirit and make us share in the life of the Holy Trinity' (CCC 426), for 'in him are hid all the treasures of wisdom and knowledge' (Col 2:3). In a certain sense, the 'essential elements of the faith' have their origin in a treasury of the heart of Jesus." -Cardinal Christoph Schönborn

Mirror | For the Love of Christ Aug 23 2022 The Mirror publication is delivered monthly to friends and supporters of Aid to the Church in Need. It offers inspiring stories of change and highlights the many injustices Christians face around the world. The Mirror also serves as a tool of evangelisation. It inspires prayer and includes thought-provoking articles to help elevate the reader's hearts and minds towards God the Father Almighty and their less fortunate brothers and sisters in Christ. This issue of the publication includes the following writings: The Patron of the Universal Church A Quiet Church is a Dying Church The Background to the Revolt of the Maccabees God Remains Joy Despite the Danger In love with Christ Living With Joy Again Finding the Strength to Forgive Rebuilding Communities St. Joseph and the Place of the Father Figure in the Family Fr. Peter Ewaoche Johnson Saint Joseph: An example of counter-cultural masculinity Lent: What's it really all about? Prayer for the Persecuted: Father Isaac Achi

The Church Mar 30 2023

Women's History of the Christian Church Feb 23 2020 Tracing two thousand years of female leadership, influence, and participation, Elizabeth Gillan Muir examines the various positions women have filled in the church. From the earliest female apostle, and the little known stories of the two Marys - the Virgin Mary and Mary Magdalene - to the enlightened duties espoused by the nun, the abbess, and the anchorite, and the persecutions of female "witches," Muir uncovers the rich and often tumultuous relationship between women and Christianity. Offering broad coverage of both the Catholic and Protestant traditions and extending geographically well beyond North America, *A Women's History of the Christian Church* presents a chronological account of how women developed new sects and new churches, such as the Quakers and Christian Science. The book includes a timeline of women in Christian history, over 25 black-and-white illustrations, a glossary, and a list of primary and secondary sources to complement the content in each chapter.

The Church Jun 20 2022 A primer by respected Washington, DC pastor and 9Marks ministry president Mark Dever on the doctrine of the church that explores the important issues of church life, other doctrines, worship, and polity.

Missional Church May 08 2021 What would a theology of the Church look like that took seriously the fact that North America is now itself a mission field? This question lies at the foundation of this volume written by an ecumenical team of six noted missiologists—Lois Barrett, Inagrace T. Dietterich, Darrell L. Guder, George R. Hunsberger, Alan J. Roxburgh, and Craig Van Gelder. The result of a three-year research project undertaken by The Gospel and Our Culture Network, this book issues a firm challenge for the church to recover its missional call right here in North America, while also offering the tools to help it do so. The authors examine North America's secular culture and the church's loss of dominance in today's society. They then present a biblically based theology that takes seriously the church's missional vocation and draw out the consequences of this theology for the structure and institutions of the church.

Finding Our Way Dec 27 2022 What if the way the Church is "doing church" is the very reason the world is seeing less of Jesus in it every day? Beginning with the biblical basics, Jeff Lockyer walks readers through the underlying theology and practical application of how Southridge Community Church has approached ministry for nearly a quarter century. While providing a fresh approach to ministry, the book stimulates how to think—not what to think. It's written by a local church practitioner for local church practitioners. By providing clarity to the confused, it helps church leaders find their way. By providing practical examples delivered uniquely in multiple church contexts, it supports leaders in finding their own way. And, most of all, by re-framing the operation of the church around fostering full devotion instead of facilitating consumerism, it enables leaders of local churches to reclaim the lifestyle of Jesus among its people. It supports churches and leaders to find their Way—the Way of Jesus.

Rediscover Church Nov 13 2021 "A Christian without a church is a Christian in trouble." Since a global pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it's time to recommit to gathering as brothers and sisters in Christ. In *Rediscover Church*, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the Gospel Coalition and 9Marks.

History of the Church Apr 26 2020

Men and Women in the Church May 27 2020 "This is the first book I will recommend to those who want to study what the Scriptures teach about the roles of men and women both in marriage and the church. . . I was amazed at how much wisdom is packed into this short book. Everything in the book is helpful, but the practical application section alone is worth the price of the book." —Thomas R. Schreiner, James Buchanan Harrison Professor of New Testament Interpretation, The Southern Baptist Theological Seminary *A Biblical Primer on Men and Women in the Church* There is much at stake in God making humanity male and female. Created for one another yet distinct from each other, a man and a woman are not interchangeable—they are designed to function according to a divine fittedness. But when this design is misunderstood, ignored, or abused, there are dire consequences. Men and women—in marriage especially, but in the rest of life as well—complement one another. And this biblical truth has enduring, cosmic significance. From start to finish, the biblical storyline—and the design of creation itself—depends upon the distinction between male and female. *Men and Women in the Church* is about the divinely designed complementarity of men and women as it applies to life in general and especially ministry in the church.

When the Church Was a Family Oct 13 2021 Spiritual formation occurs primarily in the context of community. But as the modern cultural norm of what social scientists call "radical American individualism" extends itself, many Christians grow lax in their relational accountability to the church. Faith threatens to become an "I" not "us," a "my God" not "our God" concern. *When the Church Was a Family* calls believers back to the wisdom of the first century, examining the early Christian church from a sociohistorical perspective and applying the findings to the evangelical church in America today. With confidence, author Joseph Hellerman writes intentionally to traditional church leaders and emerging church visionaries alike,

believing what is detailed here about Jesus' original vision for authentic Christian community will deeply satisfy the relational longings of both audiences.

Love Your Church Jan 04 2021 How to grow in love for your church. God calls us to be "devoted to one another in love" (Romans 12:10). What does this look like for us today? How can we be the kind of church member who makes a real difference? This engaging book by Tony Merida explores what church is, why being part of it is exciting, and why it's worthy of our love and commitment. He sets out eight privileges and responsibilities of a church member: to belong, to welcome, to gather, to care, to serve, to honour, to witness and to send. As we see how wonderful it is to belong to God's family and be a part of his amazing witness to both the earthly and the heavenly realms, we'll grow in our love for and commitment to our local church. This is a great book for every churchgoer to read, whether they're new or have been attending for some time but need re-energising with God's vision for the local church. With a discussion guide at the end of the book, *Love Your Church* is also a great resource for small groups.

Gospel of Truth for Repentance Dec 15 2021 *Gospel of Truth for Repentance* By: Apostle Johnson Wachira (of the Church of God) Apostle Johnson Wachira was inspired by God to write this message to all the God-loving people of the world who love the truth of the Gospel. This Gospel lays bare that truth, the truth of God's word, which all denominations of the world fail to preach in their man-made churches. Read for yourself, understand and repent, and be baptized into the death of Christ to be one of His saints, to live a life in Christ.

Saving Jesus from the Church Aug 11 2021 "Scholarly, pastoral, prophetic, and eloquent. The invitation to follow Jesus instead of worshiping Christ could not come at a more important time, or be issued by a more credible source." — Desmond Tutu "Robin Meyers emerges in *Saving Jesus from the Church* as a national voice for a new Christianity. He is a well read scholar and a superb communicator. He writes with a refreshing honesty and a disarming authority. This book is a treat." — John Shelby Spong, author of *Jesus for the Non-Religious* Robin Meyers, a rising star of liberal Christianity, restores the true mission of the faith that captures the heart of Jesus's concern for people over "right belief." *Saving Jesus from the Church* will resonate deeply with those who enjoy the works of John Shelby Spong, Marcus Borg, and John Dominic Crossan.

Our Church Apr 30 2023 For most people in England today, the church is simply the empty building at the end of the road, visited for the first time, if at all, when dead. It offers its sacraments to a population that lives without rites of passage, and which regards the National Health Service rather than the National Church as its true spiritual guardian. In *Our Church*, Scruton argues that the Anglican Church is the forlorn trustee of an architectural and artistic inheritance that remains one of the treasures of European civilization. He contends that it is a still point in the centre of English culture and that its defining texts, the King James Bible and the Book of Common Prayer are the sources from which much of our national identity derives. At once an elegy to a vanishing world and a clarion call to recognize Anglicanism's continuing relevance, *Our Church* is a graceful and persuasive book.

Effectiveness by the Numbers Mar 06 2021 When it comes to church growth, know the right thing to measure.

The Church Visible Jul 30 2020 Revised and updated for the twenty-first century: the authoritative reference for the ceremonies, traditions, and protocols of today's Catholic Church. In *The Church Visible*, James-Charles Noonan presents a detailed and comprehensive resource on all matters concerning the external life of the church. As the only book of its kind published in more than a century, it is the recognized authority on the subject—and the first to incorporate the momentous changes of the Second Vatican Council. This newly revised edition presents the most up to date information on such topics as Papal Honors, Church Protocol, Vesture & Insignia, the Universal Church, and more.

The Church and the World Jan 16 2022

Half the Church Jun 28 2020 Women comprise at least half the world, and usually more than half the church, but so often Christian teaching to women either fails to move beyond a discussion of roles or assumes a particular economic situation or stage of life. This all but shuts women out from contributing to God's kingdom as they were designed to do. Furthermore, the plight of women in the Majority World demands a Christian response, a holistic embrace of all that God calls women and men to be in his world. The loudest voices speaking into women's lives in the twenty-first century thus far come from either fundamentalist Islam or radical feminism. And neither can be allowed to carry the day. The Bible contains the highest possible view of women and invests women's lives with cosmic significance regardless of their age, stage of life, social status, or culture. Carolyn Custis James unpacks three transformative themes the Bible presents to women that raise the bar for women and calls them to join their brothers in advancing God's gracious kingdom on earth. These new images of what can be in Christ free women to embrace the life God gives them, no matter what happens. Carolyn encourages readers with a positive, kingdom approach to the changes, challenges, and opportunities facing women throughout the world today.

Our Church and Our Children Mar 18 2022 This book is a re-release of a classic by a distinguished Orthodox Christian religious educator and a foundational read for Christian parents and educators. Koulomzin, who taught Religious Education at St Vladimir's Orthodox Theological Seminary from 1954 to 1973, writes as a laywoman, teacher, mother, and grandmother about the task of Christian education. The work is a remarkable compendium of her wisdom. The contents of the book comprise a deep understanding of children, a wise appropriation of educational and developmental theory, a lived knowledge of the Orthodox faith tradition, and a keen sense of Orthodox church life in America. The book is peppered with engaging anecdotes from her half-century of experience working with children in the Church. For Koulomzin, recognizing that children are full members of the Church was of utmost importance, and her life's vocation was encouraging others to see this. Among the key topics addressed in *Our Church and Our Children* are: the task of Christian education, developmental stages of children, Christian education in the family, the challenges and opportunities of the church school, and a vision and goals for the Christian teacher. It makes an excellent book for either group or personal study. Included in the re-release are a foreword, which gives a glimpse into her incredible personal life, a bibliography, and a chapter-by-chapter study guide.

What Is the Mission of the Church? Jun 08 2021 Social justice and mission are hot topics today: there's a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others. But in our zeal to get sharing and serving, many are unclear on gospel and mission. Yes, we are called to spend ourselves for the sake of others, but what is the church's unique priority as it engages the world? DeYoung and Gilbert write to help Christians "articulate and live out their views on the mission of the church in ways that are theologically faithful, exegetically careful, and personally sustainable." Looking at the Bible's teaching on evangelism, social justice, and shalom, they explore the what, why, and how of the church's mission. From defining "mission", to examining key passages on social justice and their application, to setting our efforts in the context of God's rule, DeYoung and Gilbert bring a wise, studied perspective to the missional conversation. Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus' call to preach the Word and make disciples.

The Church and the Surprising Offense of God's Love (Foreword by Mark Dever) Apr 06 2021 When the world speaks of "love," it often means unconditional acceptance. Many churches have adopted this mind-set in their practice of membership and discipline-if they have not done away with such structures entirely. "Yet God's love and God's gospel are different than what the world expects," writes Jonathan Leeman. They're centered in his character, which draws a clear boundary between what is holy and what is not. It's this line that the local church should represent in its member practices, because the careful exercise of such authority "is God's means for guarding the gospel, marking off a people, and thereby defining his love for the world." So how should churches receive and dismiss members? How should Christians view their submission to the church? Are there dangers in such submission? *The Church and the Surprising Offense of God's Love* responds with biblical, theological, and practical guidance—from both corporate and individual perspectives. It's a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority.

England Or Rome. The Reunion of Christendom. Addressed to the Rev. E.S. Ffoulkes ... (suggested by the Perusal of ... [his] Late Pamphlets, on The Church's Creed, &c., and The Roman Indices), and Respectfully Dedicated to the Rev. Gentlemen, Late of the Anglican, Now the Roman Church, and "those Halting Between Two Opinions" Dec 03 2020

The Big Idea Nov 01 2020 Community Christian Church embraced the Big Idea and everything changed. They decided to avoid the common mistake

of bombarding people with so many 'little ideas' that they suffered overload. They also recognized that leaders often don't insist that the truth be lived out to accomplish Jesus' mission. Why? Because people's heads are swimming with too many little ideas, far more than they can ever apply. The Big Idea can help you creatively present one laser-focused theme each week to be discussed in families and small groups. The Big Idea shows how to engage in a process of creative collaboration that brings people together and maximizes missional impact. The Big Idea can energize a church staff and bring alignment and focus to many diverse church ministries. This book shows how the Big Idea has helped Community Christian Church better accomplish the Jesus mission and reach thousands of people in nine locations and launch a church planting network with partner churches across the country. This book is part of the Leadership Network Innovation Series.

The Book of Church Growth Oct 25 2022 The Church Growth Movement has divided devout Christians. Even though Rainer is an advocate, his aim here is to present an objective view of the movement--its history, the theology associated with it, and the principles which seem to separate churches that grow from those that don't.

This Is the Church Jan 28 2023 Here is the church, here is the steeple . . . This update to the classic children's rhyme is an introduction to church for a new era, a whirlwind tour through all the wonderful things church can be and do and mean. From megachurches to little chapels to underground meetings, from welcoming to helping to feeding the hungry, church can be and do a lot of things. But ultimately that old rhyme said it best: the church is the people! With gently rhyming text by Sarah Raymond Cunningham and the vibrant and diverse illustrations of Ariel Landy, *This Is the Church* is an ideal gift for baptisms, confirmations, or any occasion in which children are welcomed into the life of the body of Christ.

A Church with the Soul of a Nation Nov 25 2022 "As Canadian as the maple leaf" is how one observer summed up the United Church of Canada after its founding in 1925. But was this Canadian-made church flawed in its design, as critics have charged? *A Church with the Soul of a Nation* explores this question by weaving together the history of the United Church with a provocative analysis of religion and cultural change.

The Teachings of the Church Fathers Apr 18 2022 The Fathers of the Church have been a vital source of wisdom and inspiration for countless saints, popes, peasants, and converts throughout the history of the Church. In this powerful one-volume library, Father Willis presents more than 250 selected doctrinal topics in an exhaustive selection of writings from the major sources of the Fathers. He lets the Fathers speak for themselves on a wide variety of spiritual themes.

The Church on Mission Feb 26 2023 In this scripturally rich exploration, senior missiologist Craig Ott unpacks the mission statement of the church: to glorify God by multiplying transformational churches among all people. This concise yet robust biblical-theological treatment focuses on God's glory, a strong ecclesiology, the importance of Scripture, and practical implications for congregational and mission practice. Ideal for launching discussion and reflection, the book helps readers refocus their vision and reignite their commitment to fulfilling God's purposes for their church or mission.

The Church Sep 11 2021 In this day when Christians and churches are widely dispersed throughout the world, the question 'Who is the church?' could easily be dismissed as irrelevant. In this publication, Bishop David Zac Niringiye pleads that as Jesus warned, we should not be in haste to conclude that any community with religious titles or forms and who speaks the right language of 'Lord, Lord . . .' is authentic church. Taking his cue from Hebrews 11 and 12 the author addresses the motif of 'the people of God', looking first at the ancient people of Israel, beginning with Moses, then the new Israel and the covenant in Christ, born through the Holy Spirit at Pentecost and finally the life of the new community, the church, during the apostolic era. Through this biblical journey it is made clear that as the pilgrim people of God and the new community in Christ we must be marked by faith, love and hope, looking forward to the full consummation of the kingdom of God – justice, peace and joy, fully realized when 'the new heaven and the new earth where righteousness dwells' (2 Peter 3:13) is inaugurated.

The Church and Third World Revolution Feb 14 2022

Learning Theology with the Church Fathers Dec 23 2019 Christopher A. Hall offers you the opportunity to study theology and church history under the preaching and instruction of the early church fathers.

Remember the Future Aug 30 2020 Explore together how congregations can change to become more fruitful for the purposes of Christ. *Remember the Future: Praying for the Church and Change* prepares leaders of congregations and conferences for courageous new conversations with readings that draw us toward renewed vision, cultivate hope and keep us attentive to the mission of Christ. Read together as leadership teams, boards and covenant groups to understand more clearly the "why" of congregational ministry and the internal resistances and external challenges to the mission of the church. Endorsements: "While Bishop Schnase honors the past, he writes for the future. God keeps doing new things, and our Wesleyan ancestors knew well that new occasions require new responses. Remembering the Future envisions a future worthy of our past." Lovett H. Weems, Jr., Wesley Theological Seminary Author of *Focus: The Real Challenges That Face The United Methodist Church* "Discerning God's dream for us requires remembering who we are and where we come from. we need help staying connected with God's purpose while working. Here is help." Gil Rendle, Texas Methodist Foundation Senior Consultant Author of *Journey in the Wilderness and Back to Zero*. "Bishop Schnase helps us to embrace change with faith, vision, hope, and grace. I intend to make wide use of this book in my ministry with congregation leaders." Gregory V. Palmer Resident Bishop, Illinois Episcopal Area - The United Methodist Church Illinois Great Rivers Conference "The biggest issue facing local churches, annual conferences and the national church is whether we love Jesus enough to change. We must remember the changes our ancestors made and make similar changes to remain faithful in the future. Robert Schnase has given us significant help on that journey." Scott Jones, Resident Bishop, Kansas Episcopal Area – The United Methodist Church Kansas Conference Every cabinet, conference and congregation in your care will be encouraged, inspired and energized by using and experiencing the compelling truthfulness, faithfulness and integrity found in Robert Schnase's *Remember the Future: Praying for the Church and Change*. Bishop Rueben P. Job, author of *Three Simple Rules and Three Simple Questions* Excerpt From "Somewhere Out There", Reading 28 When United Methodists work toward starting congregations and strengthening congregations and leading congregations, these are not merely attempts at institutional survival. Learning to deepen our life in Christ through congregations and to extend the outreach of Christ through faith communities are not merely submitting to worldly, corporate models of growth and success. Forming congregations are a means by which we cooperate with the Holy Spirit in fulfilling the purposes of Christ. Through people changed by belonging to the body of Christ, God transforms the world. God uses congregations to fulfill the mission revealed to us in Christ; increasing the number of vital congregations deserves our best and highest insights, efforts, resources, and attention Somewhere out there, somewhere in Texas or California or New Jersey or Norway or Mozambique, somewhere in a town like yours or a neighborhood near you is a person who has no idea of the change that is coming his way or the grace that will transform her life, a person unknowingly prepared by the Spirit of God to receive the embrace of Christ that people will offer when they come alive with purpose and fulfill the mission of Christ. Somewhere out there is a person God plans to use you to reach. Somewhere out there is a person God will use to change your life as you reach them. Somewhere out there is a person for whom Christ died, and for whom your church was built, and for whom God has uni

I Am a Church Member Jul 22 2022 It is impossible to grow to spiritual maturity by yourself. You must be connected to the other parts of the Body. This wonderful little book explains the power of belonging to a church family.

The Alexander Antidote May 20 2022 The joy that comes from a meaningful relationship is one of the richest blessings. Even so, there are people in every community who, for whatever reason, do and say difficult and destructive things—and the church community is no different. Confronting these difficult personalities and potentially damaging events becomes a very important task for our pastors and church leaders, but sadly many of our leaders are currently unable to cope effectively with such challenging, though regular, problems in the pastorate. In *The Alexander Antidote: Turning Conflict into a Prescription of Wholeness for the Local Church*, veteran pastor and advisor Dr. Thomas S. Warren II introduces a practical, Christ-centered process for proactively responding to conflict, building human relationships, and leading our churches and organizations back to health. Based on

biblical principles and Warren's thirty-five-plus years as a pastor, *The Alexander Antidote* guides us from understanding the nature of conflict and our reactions to finding balance to finally working with and resolving the problem "in Christ." If you are ready to make a difference in the life of your church and allow the Lord to make an impact through you, then now is the time to set your mind and heart to the task of bringing health to the body of Christ whenever it is needed, even if it means dealing with conflict.

Christ's Reign on Earth: What It Will Be Like Oct 01 2020 Just as He promised, Jesus Christ is returning soon. When He comes He will replace the human governments of the world with His own Kingdom of peace and joy. Find out what Jesus' reign on earth will look like and how you can be there to see it. Inside this booklet: - Introduction - The Fruit of the Tree of the Knowledge of Good and Evil - A Dream Come True - Causes of War - The Way of Peace - The Entire World is in Need of a Heart Transplant - Changing Hearts and Minds - The Wonders of the World Beyond Today - Jesus Christ is coming with His Kingdom - Choose life today!

Biblical Theology in the Life of the Church (Foreword by Thomas R. Schreiner) Sep 23 2022 Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry. He begins with an examination of a pastor's tools of the trade: exegesis and biblical and systematic theology. The book distinguishes between the power of narrative in biblical theology and the power of application in systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor, and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.

Tilling the Church Mar 25 2020 Tilling the Church is a theology for the pilgrim church. In this book, Richard Lennan shows how the ecclesial community looks toward the fullness of God's reign but lives within the flux of history, the site of its relationship to the trinitarian God. In this way, God's grace "tills" the church, constantly refreshing the tradition of faith and prompting the discipleship that embodies the gospel. Tilling the Church explores the possibilities for a more faithful, just, and creative church, one responsive to the movement of grace. Fruitful engagement with grace requires the church's conversion, the ongoing formation of a community whose words and actions reflect the hope that grace engenders.

What Is the Church and Why Does It Exist? Jan 22 2020 What is the church? And why does it exist? These are essential questions for those who seek to follow Jesus in community. David Fitch delves into the origins of the church, exploring the identity and calling of the body of Christ in scripture and church history. Learn about the Christian practices that shape the church and how our understandings of church might change in light of the life of the church through the centuries. At a time when the church in the US is losing credibility and cultural privilege, Fitch calls us to embrace historic Anabaptism as a model for thriving as God's people in our own time and place. The Jesus Way: Small Books of Radical Faith delve into big questions about God's work in the world. These concise, practical books are deeply rooted in Anabaptist theology. Crafted by a diverse community of internationally renowned scholars, pastors, and practitioners, The Jesus Way series helps readers deepen their faith in Christ and enliven their witness.

Subterranean Feb 02 2021 The landscape of Christian spirituality in the West is no longer lush with green grass and wild flowers blooming. Instead, across the country we find dry terrain where churches no longer can expect interested seekers--yet most of our solutions for addressing this predicament link to anxiety around our performance and personality. Rather than going back to the boardroom to cook up new techniques for a trendier church, let's ask more meaningfully rooted questions. Do we know how to be present in our neighborhoods? Do we know how to be present in community? Do we know how to be present to the in-breaking kingdom of God? There is a growing groundswell discovering that we have become uprooted and detached from each other in the way we express being the church. We need a subterranean movement that plunges below the surface into a way of being the people of God that carries an unwavering incarnational creed. Dan White Jr. uses crisp criticism, narrative theology, and tangible practices to uncover a hopeful pathway for being radically rooted in God's world.
