If I really press myself, I can remember. The warning signs were there. No neon signs, mind you, just little sparks at the end of a very long string. Funny that I could have been blind enough not to realize that the string was a lighted fuse. When her boyfriend of three months, Tad Showers, proposes, twenty-six-year-old April thinks that

everything in her life is finally falling into place. Between her flaky, tree-hugging mother and her she-devil boss, marriage seems like the place she'll find love and security. Tad's exactly the kind of man April wants: smart, ambitious and wildly romantic. But soon after they're married, the honeymoon ends. Tad's crazy, extravagant gestures are starting to look less romantic and more...well, just plain crazy. Is it normal for her husband to never mention his family, rack up secret credit card debt and get less sleep than your average insomniac? Are you still supposed to stand by your man, even if it turns out he isn't who you thought he was? When she promised "for richer or poorer, in sickness and in health," this isn't what she pictured. But sometimes you don't get the life you imagined. And sometimes you have to figure out how to write your own happy ending. Two childhood friends who are reunited after years apart, discover that the spark they felt even as kids still remains... Sophie Katz's relationship with the irresistible and occasionally insufferable P.I. Anatoly Darinsky is on the fritz when a friend recruits Sophie's investigation skills to decode her possibly two-timing husband's strange behavior. Darius Rourke has long desired the beautiful and mysterious Marianne, seizing the opportunity to claim her when her family falls on hard times. Darius intuitively understands Marianne's need for direction and is willing to do anything to be the one to give it to her. What he doesn't know is that submission is security for Marianne, helping her to cope with a sin from her past. The wedding night confirms his virgin bride is the passionate woman Darius always dreamed she would be, but the more entangled they become, the harder it is

for Darius to play the role of 'master,' for ultimately it will never give him that which he wants most of all—Marianne's love. A confrontation is due for Darius and Marianne who must both face the fears and painful secrets threatening to destroy their fragile love, their future together, and the perfect passion they both crave. Make no mistakes about it. I know what I look like to others. Young, government-aided, pregnant mom. They see Lucy on my hip, and they see a mistake. I mean, why else would someone have a child so young, right? They couldn't be more wrong. I'm too busy most days between parenting, work, and finishing up my last year of nursing school to let their judging gaze tear me down until he moves into the vacant house next to the apartments I live in. His cold, blunt observation of us doesn't differ from any other stranger. He doesn't know me, but he's already painting a picture of who he thinks I am in his mind. He judges my very round belly, Lucy's inability to leave him alone, the bags under my eyes, and the fact that I couldn't care less what I look like anymore. He's a rude guy. Stays that way for months too. Then something happens, I'm not even sure what. Judgmental Guy decides Lucy and me—as well as baby Eli, are worth his friendship. Turns out, Judgmental Guy isn't too mean—okay, he kind of still is. But he graduates to Elijah. I build an unlikely friendship with him which deems it necessary for him to start smiling around me and my kids. I'm wrong again. Elijah isn't rude. He's terrifying. His strange acts of kindness are unraveling me. Elijah is only my friend. Right? Oh, fudge. I think I'm wrong. Again. The day her mother passed away, Beulah was only given a name. That was it. No other explanation. Portia Van Allan was

not someone Beulah could believe her mother ever knew. Wealthy, self-absorbed and other than the fact Portia was supplying special care for Beulah's sister, Portia was cruel. The day Portia's son returns home for the summer, Beulah discovers that Portia isn't in charge. This isn't her home at all. Her late husband left her with nothing. It all belongs to their son who doesn't seem to like his mother at all. Jasper Van Allan doesn't know why his mother has hired a young gorgeous blonde to take care of the house and almost lets her go before he finds out the truth. Realizing there's more to Beulah than a stunning face, he keeps finding reasons to be near her all the time. It's all falling into place, it all begins to make sense . . . until the real lies, the dark secrets, and the skeletons come tumbling out of the Van Allan closet. Twisted truths that will send Beulah running . . . When a mystery writer cries bloody murder, everyone blames her overactive imagination... Thriller scribe Sophie Katz is as hard-boiled as a woman who drinks Grande Caramel Brownie Frappuccinos can be. So Sophie knows it's not paranoia or post-divorce, living-alone-again jitters, when she becomes convinced that a crazed reader is sneaking into her apartment to reenact scenes from her books. The police, however, can't tell a good plot from an unmarked grave. When a filmmaker friend is brutally murdered in the manner of a death scene in one of his movies, Sophie becomes convinced that a copycat killer is on the loose —and that she's the next target. If she doesn't solve the mystery, her own bestseller will spell out her doom. Cursing her grisly imagination (why, oh, why did she have to pick the ax?), Sophie engages in some real-life gumshoe tactics. The man who swoops in to save her in

dark alleys is mysterious new love interest Anatoly Darinsky. Of course, if this were fiction, Anatoly would be her prime suspect.... <http://www.elsotano.com/> Overjoyed at Maryanne's engagement, amateur sleuth Sophie Katz can't wait for the wedding vows and party toasts to begin. But then Dena-best friend, bridesmaid and all-around vixen-is mysteriously shot just after the announcement. Leave this to the authorities? No way. Dena may never walk again, and Sophie vows to marry her fists with the shooter's face. Problem is, the number of suspects is off the charts-from jaded lovers to anti-free-lovers to just plain old haters. Dena's made plenty of enemies thanks to her popular sex shop-and, yes, she's no saint-but really, who deserves to be shot? With an überlogical almost boyfriend condemning her vigilante quest, and a wedding planner going vicariously bridezilla over the dream princess wedding, Sophie's barely thinking

straight. But if she can keep her cool (and avoid all errant taffeta), she just might nab her man and save the (wedding) day. Big if. As the lead singer of an indie band, Melody is caught in a love triangle between herself, Ash and Brad, Ash being the party boy who unwittingly brought Melody's conflict with her parents to a head and Brad the more grounded guy who wants her to settle down a bit. However, it's Melody's secret that haunts her and ties in to her father's decision to declare her "dead."

Published in conjunction with the artist's major retrospective exhibition, this comprehensive volume traces James Turrell's artistic practice from his years at the Mendota studio in Santa Monica, California, to his monumental work-in-progress at Roden Crater, an extinct volcano that he has been transforming into a naked-eye observatory since 1975. Whether he's projecting three-dimensional shapes into the corner of a gallery space or creating immersive environments that allow viewers to better understand their own perception, Turrell invites us to "go inside and greet the light", evoking the meditative practices of his Quaker upbringing. A critical figure emerging from Los Angeles's exploding art scene of the 1960s, Turrell draws from aviation, psychology, and astronomy in his art. Through ten chapters that survey his various bodies of work, enhanced by thoughtful essays and an illuminating interview with the artist, this monograph explores every aspect of Turrell's oeuvre to date—from his early geometric projections, prints, and drawings, through his installations exploring sensory deprivation and seemingly unmodulated fields of colored light, to recent holographic works. It also features an in-depth look at the Roden Crater Project through models,

plans, photographs, and drawings, which reveal the power and beauty of his magnum opus and its surrounding landscape. This publication also features extraordinary images by Florian Holzherr-many of which were specially commissioned and are published here for the first time. Primera parte de «Solo una noche», la trilogía erótica superventas que te sumergirá en una pasión irresistible. «Soy responsable, previsible, fiable. La chica en la que todo el mundo confía. Menos esta noche. Esta noche seré la chica que se acuesta con un completo desconocido.» Kasie Fitzgerald es una adicta al trabajo con una carrera imparable en una consultora internacional. Es seria, prudente, pragmática y quizás incluso un poco predecible. Y está prometida con un hombre bien relacionado que encanta a sus padres. Pero cuando su mejor amiga la lleva a Las Vegas a pasar una última noche loca... se encuentra con él. Bajo su traje a medida, Kasie puede percibir que está ante un hombre poderoso, intenso y puede que un poco peligroso. Algo agitada, acepta su propuesta para tomar una copa y, antes de darse cuenta, está en su habitación. Cuando Kasie intenta olvidar esa noche de pasión, el hombre misterioso reaparece en su oficina como director de una empresa millonaria, exigiendo que ella se encargue de su cuenta... y algo más. El atractivo desconocido ha vuelto para invadir no solo su cama, sino también su trabajo. Ya nada volverá a ser como antes. You should sleep with a stranger, her best friend whispered in her ear—and so begins the intense, erotic journey of Kasie Fitzgerald in Book One of the Just One Night series, a blockbuster bestseller and “an uplifting story in which sex is presented both as freedom and as a metaphor for power”

(Publishers Weekly). Kasie Fitzgerald knows who she's supposed to be. Responsible. Reliable. Predictable. She's an ambitious workaholic who is devoted to the sensible man she plans to marry. But one wild, impulsive night in Vegas is about to open her eyes up to who she wants to be... Trying her sexy new dress and her luck at a blackjack table, Kasie meets him. Intense. Flirtatious. Dangerous. She accepts his invitation for a drink...and then to his hotel room. She doesn't know his name. But she'll never forget the sex. Hard. Thrilling. Explosive. So when her mystery man later shows up at her office unexpectedly, she succumbs to his mastery, both in bed and in the boardroom. There's no telling where the powerful, wealthy Robert Dade will lead her. But there's also no resisting her desire...however far she'll go under its spell. The only question is who she'll be when the journey ends. Sophie Katz has just offered a man \$12,000 for his services... Is she desperate or just meshugeneh? Considering the kind of disasters that usually befall the half-black, half-Jewish mystery writer, probably both. Because the last time Sophie saw sexy P.I. Anatoly Darinsky, he practically danced a jig when she waved goodbye — a normal reaction for a man who'd nearly bought the farm trying to protect her from her own foolishness. What are the chances he'd agree to take incriminating pictures of her sister's philandering husband? Or that he'd let her tag along — you know...for research? But when her brother-in-law turns up dead and her sister becomes the prime suspect, Sophie's priority is finding the real killer. With or without Anatoly's help. Her brother-in-law's secret life yields plenty of suspects, but the San Francisco police aren't taking any

of them seriously. So Sophie does what comes naturally to her: she stirs up trouble (to lure the killer out, of course). But if her crazy plan works, will Anatoly be there to protect her this time? Kasie knows who she's supposed to be. But one passionate night with a mysterious stranger will teach her who she wants to be. You should sleep with a stranger, her best friend whispers in her ear as they take to Vegas for one last pre-wedding fling. Despite her best intentions, when Kasie Fitzgerald enters the casino and sees him, a man whose tailored clothes belied a powerful, even dangerous, presence, she loses herself to the moment. Maybe it's the dress, much shorter than she'd ever normally wear, or the Scotch, but something makes her give herself over to him more completely than she's ever done with a man before. It was supposed to be just one night. But right as she's thinking she wants more, he shows up in her office with an agenda. As the billionaire CEO of a company that's engaged her PR firm, his demands just became her reality...and he desires so much more than just some attention in the boardroom. ****A USA Today Recommended Series!**** What if Beauty was cursed, and the Beast was the only one who could save her? Don't miss **WITHERING ROSE**, a dystopian romance from bestselling author Kaitlyn Davis that reimagines the classic fairy tale of Beauty & The Beast. "As the heat finally disappeared, I felt the bloom blossom in the very core of my soul, a rose just like my name--a ticking clock hidden behind a façade of beauty. From that moment on, my life would become a countdown, and all I could do was wait and watch as the petals of time slowly started to fall." Omorose Bouchene has a secret--magic. There's

only one problem. At the age of seven, an earthquake struck, catapulting her into a new world. A land made of skyscrapers and cell phones. Fast cars and fluorescent lights. A land where magic isn't supposed to exist and anyone who wields it is the enemy. But after ten years of hiding, she's desperate to find a place where she can be free. Because all magic comes with a curse, and her curse is time--every ounce of power she uses strips days off of her life. The clock is winding down, and the only option left is to escape to the realm of the Beast. But the king of monsters isn't what he seems. And the more Omorose opens her heart, the more she comes to realize that the only person she may need to fear is herself. *This is the second book in Once Upon A Curse, a series of interconnected stand-alone novels all set in the same fantasy universe. Black Mountain Academy's bad boy. That's who Reese Trenton was, or at least how people perceived him. He came from the "wrong side of the tracks" with a perpetual scowl on his face, a body like a god, and the arrogance to match. He was a rough around the edges kind of delinquent, but smart enough he'd gotten a full ride to BMA. And he piqued Keira's interest in the worst-or maybe best-kind of way. He had

her wanting to throw that good girl persona she carried right out the window. He had her wanting to be just as rebellious as he was. He knew too much about life, got drunk, and started far too many fights. And Keira wanted him like she'd never wanted anyone before. They say opposites attract, and it seemed that was the pulling force that brought Reese and Keira together. Heated touches. Passionate kisses. Filthy, secret intimacy. They shared it all together and grew addicted for more. He thought he was broken, too battered for a girl like her. Keira wanted to show Reese that despite the cracks he wore, the scars he sported, they were meant to be together. But not everyone thought Reese and Keira should be together, and as the drama and chaos erupted, as people tried to rip them apart, they realized their loyalty and love for each other had never been put to the test more than it had now.

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. Right up until she stumbles into Jude Ryder, a guy whose name has become its own verb, and synonymous with trouble. He's got a rap sheet that runs longer than a senior thesis, has had his name

sighed, shouted, and cursed by more women than Lucy dares to ask, and lives at the local boys home where disturbed seems to be the status quo for the residents. Lucy had a stable at best, quirky at worst, upbringing. She lives for wearing the satin down on her ballet shoes, has her sights set on Juilliard, and has been careful to keep trouble out of her life. Up until now... Jude's everything she knows she needs to stay away from if she wants to separate her past from her future. But she's about to find out that staying away is the only thing she's incapable of.
